[Approved by Governor September 28, 2014. Filed with

LEGISLATIVE COUNSEL'S DIGEST

AB 2231, Gordon. State Controller: property tax postponement.

The Senior Citizens and Disabled Citizens Property Tax Postponement Law, until February 20, 2009, authorized a claimant, as defined, to file a claim with the Controller to postpone the payment of ad valorem property taxes, if household income, as defined, did not exceed specified amounts. That law authorized the Controller, upon approval of the claim, to either make a payment directly to specified entities, or to issue the claimant a certificate of eligibility that constituted a written promise of the state to pay the amount specified on the certificate, as provided. That law required these payments to be made out of specified funds appropriated to the Controller, and also required certain repaid property tax postponement payments to be paid into an impound account and transferred, as specified, to the General Fund. That law also required all sums paid by the Controller for postponed property taxes to be secured by a lien in favor of the State of California.

Existing law, on and after February 20, 2009, prohibits a person from filing a claim for postponement, and prohibits the Controller from accepting applications for postponement, under the Senior Citizens and Disabled Citizens Property Tax Postponement Law.

This bill would make inoperative the prohibition against a person filing a claim for postponement and the Controller from accepting applications for postponement under the program as of July 1, 2016, and would repeal this prohibition on January 1, 2017. This bill would authorize a claim for postponement to be filed after September 1 of the fiscal year in which the postponement is claimed and on or before April 10 of that fiscal year, as specified.

This bill would limit the household income amount of a claimant to \$35,000 and would exclude losses and nonexpenses from “income” for purposes of these provisions. This bill would also exclude mobilehomes and houseboats from the scope of these provisions, and make conforming changes to related provisions.

The Senior Citizens Mobilehome Property Tax Postponement Law provides for all amounts postponed in the case of a mobilehome to be due if the claimant dies, unless the surviving spouse or other person eligible to postpone continues to occupy the mobilehome.

This bill would limit this exception to the circumstance in which the surviving spouse who was previously approved continues to occupy the mobilehome.

This bill would create in the State Treasury a Senior Citizens and Disabled Citizens Property Tax Postponement Fund and would require the fund to be interest-bearing at a specified rate. This bill would delete the requirement that funds be placed in an impound account and would, instead, require that repaid property tax postponement payments be directly deposited into the newly created fund. The bill would require the Controller to transfer any moneys in the fund in excess of specified amounts to the General Fund each year. The bill would require any impound account funds remaining upon the enactment of this bill to be transferred to the fund. The bill would continuously appropriate these funds to the Controller for purposes of administering the property tax postponement program, as specified.

Existing law authorizes the Controller to establish a fee to implement these provisions, not to exceed \$10.

This bill would authorize the Controller to charge a fee not exceeding \$30.

Existing law authorizes the Controller to subordinate the lien for postponed property taxes if the Controller determines subordination is appropriate.

This bill would eliminate that authorization and make other conforming changes.

Existing law requires that the owner’s equity interest in the residential dwelling be at least 20% of the full value of the property at the time the claimant files an initial postponement claim in order to be eligible to participate in the postponement program.

This bill would increase the equity requirement to at least 40% for each postponement claim.

Existing law requires the repayment of postponed taxes in specified circumstances.

This bill would, in addition, require repayment if the claimant refinances the dwelling or has elected to participate in a revenue mortgage program for the dwelling. The bill would require the tax collector or the assessor to notify the Controller if assessment records applicable to property for which taxes have been postponed reveal a change in ownership within 60 days of processing that change, and require that the county tax collector or assessor notify the Controller within 60 days of all property subject to a “Notice of Lien for Postponed Property Taxes” and processed for notice of becoming

tax defaulted or of the claimant for that property, if residential, transferring ownership or changing his or her mailing address, or having been determined to be deceased.

Existing law requires a claim for postponement to be filed after May 15 of the calendar year in which the fiscal year for which postponement is claimed begins, and on or before December 10 of that fiscal year.

This bill would instead require a claim for postponement to be filed after September 1 of the calendar year in which the fiscal year for which postponement is claimed begins, and on or before April 10 of that fiscal year.

Existing law makes optional certain duties of local agencies related to recordation of the tax lien.

This bill would delete that provision, thereby imposing a state-mandated local program. The bill would require the notice of lien to be recorded within 14 days of the transfer of funds and notice of lien to the county by the Controller. The bill would impose additional requirements in the case of liens upon mobilehome loans established prior to February 20, 2009, and specify procedures to be followed by the Controller if the obligation secured by the lien is paid in full or otherwise discharged.

Existing law requires, if a postponement claim, as specified, is filed timely but before the delinquency date of the first or 2nd installment of property taxes, that any delinquent penalties and interest for the fiscal year be canceled unless the failure to perfect the claim was due to willful neglect on the part of the claimant or representative, in which case the certificates of eligibility for the fiscal year can be used to pay delinquent taxes only if accompanied by sufficient amounts to pay the delinquent interest and penalties.

This bill would instead require, if a postponement claim is filed timely before the delinquency date of the 2nd installment of property taxes on the secured roll, that any delinquent penalties, costs, fees, and interest accrued for the fiscal year be canceled. This bill would instead require, in the event of willful neglect to perfect the claim, that an electronic funds transfer for that current fiscal year be used to pay only the delinquent taxes. This bill would authorize the tax collector, if the payment amount sufficient to pay all of the delinquent penalties, costs, fees, and interest is not received by the tax collector within 30 days from the date of the electronic funds transfer, to return the electronic funds transfer to the Controller to deny the postponement claim. This bill would require the Controller to provide a specified notification to the claimant and a copy of the notification to the tax collector.

This bill would also require the Controller, upon written request of the tax collector, to provide the tax collector with information that is required for the preparation and enforcement of the sale of tax-defaulted property. The bill would require the tax collector or assessor, in the case of a tax-defaulted property sale, to include the outstanding balance of the property tax postponement loan in the minimum bid. The bill would require that, in the event that the property fails to receive the minimum bid and the minimum bid is reduced, all moneys paid to the Controller's office and county tax

collector be a proportionate allocation of the total moneys owed. The bill would also require the tax collector or his or her designee to certify, under penalty of perjury, that the information is requested for these purposes. This bill would also provide that any information provided to the tax collector is not a public record and is not open to public inspection. By requiring the tax collector to make a certification under penalty of perjury, this bill would expand the crime of perjury thereby imposing a state-mandated local program.

Existing law authorizes a tax collector, 5 years or more after a nonresidential commercial property has become tax defaulted, to sell the property, as specified.

This bill would authorize a county to adopt conditions and procedures to delay the sale of property that it deems may be eligible to file a property tax postponement claim, as specified, and to cancel any delinquent penalties, costs, fees, and interest associated with these properties.

Existing law requires the price at which certain tax-defaulted property may be offered for sale to be the total amount necessary to redeem the property, plus costs.

This bill would require the outstanding balance, as defined, of any property tax postponement loan to also be included in the price described above.

Existing law requires, after certain other amounts have been satisfied, the proceeds from the sale of tax-defaulted property to be distributed to taxing agencies in specified proportions to each assessment fund with the remaining balance to each tax fund.

This bill would require the proceeds remaining after the distributions described above to be distributed to the State Controller for the outstanding balance of any property tax postponement loan.

Existing constitutional provisions require that a statute that limits the right of access to the meetings of public bodies or the writings of public officials and agencies be adopted with findings demonstrating the interest protected by the limitation and the need for protecting that interest.

This bill would make legislative findings to that effect.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

This bill would declare that it is to take effect immediately as an urgency statute.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 16180 of the Government Code is repealed.

SEC. 2. Section 16180 is added to the Government Code, to read:

16180. (a) There is hereby created in the State Treasury a Senior Citizens and Disabled Citizens Property Tax Postponement Fund. The fund shall be an interest-bearing fund. Subject to subdivision (b) and notwithstanding Section 13340, the fund is continuously appropriated to the Controller, commencing January 1, 2015, for purposes of administering this chapter, including, but not limited to, necessary administrative costs and disbursements relating to the postponement of property taxes pursuant to the Senior Citizens and Disabled Citizens Property Tax Postponement Law (Chapter 2 (commencing with Section 20581) of Part 10.5 of Division 2 of the Revenue and Taxation Code).

(b) The Controller shall do both of the following:

(1) On June 30, 2017, transfer any moneys in the fund in excess of twenty million dollars (\$20,000,000) to the General Fund.

(2) On June 30, 2018, and on June 30 each year thereafter, transfer any moneys in the fund in excess of fifteen million dollars (\$15,000,000) to the General Fund.

(c) On or after January 1, 2015, any loan repayments relating to the Senior Citizens and Disabled Citizens Property Tax Postponement Law shall be deposited into the Senior Citizens and Disabled Citizens Property Tax Postponement Fund.

(d) Any funds remaining upon the effective date of this section in an impound account formerly provided for pursuant to this chapter, shall be transferred to the Senior Citizens and Disabled Citizens Property Tax Postponement Fund.

SEC. 3. Section 16181 of the Government Code is amended to read:

16181. (a) The Controller shall maintain a record of all properties against which a notice of lien for postponed property taxes has been recorded. The record shall include, but not be limited to, the names of each claimant, a description of the real property against which the lien is recorded, the identification number of the notice of lien assigned by the Controller, and the amount of the lien.

(b) Upon written request of any person or entity, or the agent of either, having a legal or equitable interest in real property that is subject to a lien for postponed taxes, the Controller shall within 10 working days following receipt of the request issue a written statement showing the amount of the obligation secured by the lien as of the date of the statement and any other information as will reasonably enable the person or entity, or the agent of either, to determine the amount to be paid the Controller in order to obtain a certificate of release or discharge of the lien for postponed taxes.

(c) The Controller shall adopt regulations necessary to implement the provisions of this chapter and may establish a reasonable fee, not to exceed thirty dollars (\$30), for the provision of the statement of lien status provided for herein.

SEC. 4. Section 16182 of the Government Code is amended to read:

16182. (a) All sums paid by the Controller under the provisions of this chapter, together with interest thereon, shall be secured by a lien in favor of the State of California when funds are transferred to the county by the Controller upon the real property for which property taxes have been postponed. In the case of a residential dwelling which is part of a larger parcel taxed as a unit, such as a duplex, farm, or multipurpose or multidwelling building, the lien shall be against the entire tax parcel.

(b) In the case of real property:

(1) The lien shall be evidenced by a notice of lien for postponed property taxes executed by the Controller, or the authorized delegate of the Controller, and shall secure all sums paid or owing pursuant to this chapter, including amounts paid subsequent to the initial payment of postponed taxes on the real property described in the notice of lien.

(2) The notice of lien may bear the facsimile signature of the Controller. Each signature shall be that of the person who shall be in the office at the time of execution of the notice of lien; provided, however, that such notice of lien shall be valid and binding notwithstanding any such person having ceased to hold the office of Controller before the date of recordation.

(3) The form and contents of the notice of lien for postponed property taxes shall be prescribed by the Controller and shall include, but not be limited to, the following:

(A) The names of all record owners of the real property for which the Controller has advanced funds for the payment of real property taxes.

(B) A description of the real property for which real property taxes have been paid.

(C) The identification number of the notice of lien which has been assigned the lien by the Controller.

(4) Within 14 business days of the transfer of funds and the notice of lien to the county by the Controller, the notice of lien shall be recorded in the office of the county recorder for the county in which the real property subject to the lien is located.

(5) The recorded notice of lien shall be indexed in the Grantor Index to the names of all record owners of the real property and in the Grantee Index to the Controller of the State of California.

(6) After the notice of lien has been duly recorded and indexed, it shall be returned by the county recorder to the office of the Controller. The recorder shall provide the county tax collector with a copy of the notice of lien which has been recorded by the Controller.

(7) From the time of recordation of a notice of lien for postponed property taxes, a lien shall attach to the real property described therein and shall have the priority of a judgment lien for all amounts secured thereby, except that the lien shall remain in effect until it is released by the Controller in the manner prescribed by Section 16186.

(c) In the case of mobilehome loans established prior to February 20, 2009, all of the following shall apply:

(1) The lien shall be evidenced by a notice of lien for postponed property taxes excused by the Controller, or the authorized delegate of the Controller, and shall secure all sums paid owing pursuant to this chapter.

(2) From the time that the Department of Housing and Community Development receives the notice of lien from the Controller, the department shall impose a moratorium on any other amendments to the permanent title record of the mobilehome unit until released by the Controller in the manner prescribed by Section 16186, or an authorization for the amendments is given by the Controller in writing.

(3) From the time of filing a notice of lien, a lien shall attach to the mobilehome for which eligibility for the postponement of property taxes has been granted.

SEC. 5. Section 16183 of the Government Code is amended to read:

16183. (a) (1) From the time a payment is made pursuant to Section 16180, the amount of that payment shall bear interest at a rate (not compounded), determined as follows:

(1) Beginning July 1, 2016, the rate of interest shall be 7 percent per annum.

(2) The Controller shall establish an adjusted rate of interest for the purpose of this subdivision not later than July 15th of any year if the effective annual yield of the Pooled Money Investment Account for the prior fiscal year is at least a full percentage point more or less than the interest rate which is then in effect. The adjusted rate of interest shall be equal per annum to the effective annual yield earned in the prior fiscal year by the Pooled Money Investment Account rounded to the nearest full percent, and shall become effective for new deferrals, beginning on July 1, 1984, and on July 1 of each immediately succeeding year, until June 30, 2016.

(3) The rate of interest provided pursuant to this subdivision for the first fiscal year commencing after payment is made pursuant to Section 16180 shall apply for that fiscal year and each fiscal year thereafter until these postponed property taxes are repaid.

(b) The interest provided for in subdivision (a) shall be applied beginning the first day of the month following the month in which that payment is made and continuing on the first day of each month thereafter until that amount is paid. In the event that any payments are applied, in any month, to reduce the amount paid pursuant to Section 16180, the interest provided for herein shall be applied to the balance of that amount beginning on the first day of the following month.

(c) In computing interest in accordance with this section, fractions of a cent shall be disregarded.

(d) For the purpose of this section, the time a payment is made shall be deemed to be the time a certificate of eligibility is countersigned by the tax collector or the delinquency date of the respective tax installment, whichever is later.

(e) The Controller shall include on forms supplied to claimants pursuant to Sections 20621, 20630.5, 20639.9, 20640.9, and 20641 of the Revenue

and Taxation Code, a statement of the interest rate which shall apply to amounts postponed for the fiscal year to which the form applies.

SEC. 6. Section 16184 of the Government Code is amended to read:

16184. The Controller shall reduce the amount of the obligation secured by the lien against the real property by the amount of any payments received for that purpose and by notification of any amounts paid by the Franchise Tax Board pursuant to Section 20564 or by any amounts authorized pursuant to subdivision (f) of Section 20621 of the Revenue and Taxation Code. The Controller shall also increase the amount of the obligation secured by the lien by the amount of any subsequent payments made pursuant to Section 16180 with respect to the real property and to reflect the accumulation of interest. All such increases and decreases shall be entered in the record described in Section 16181.

SEC. 7. Section 16185 of the Government Code is repealed.

SEC. 8. Section 16186 of the Government Code is amended to read:

16186. (a) If at any time the amount of the obligation secured by the lien for postponed property taxes is paid in full or otherwise discharged, the Controller, or the authorized delegate of the Controller, shall in the case of real property:

(1) Execute and cause to be recorded in the office of the county recorder of the county wherein the real property described in the lien is located, a release of the lien conclusively evidencing the satisfaction of all amounts secured by the lien. The cost of recording the release of the lien shall be added to and become part of the obligation secured by the lien being released.

(2) Direct the tax collector to remove from the secured roll, the information required to be entered thereon by paragraph (1) of subdivision (a) of Section 2514 of the Revenue and Taxation Code with respect to the property described in the lien.

(3) Direct the assessor to remove from the assessment records applicable to the property described in the lien, the information required to be entered on such records by Section 2515 of the Revenue and Taxation Code.

(b) If at any time the amount of the obligation secured by the lien for postponed property taxes is paid in full or otherwise discharged, the Controller, or the authorized delegate of the Controller, shall, in the case of mobilehome loans established prior to February 20, 2009:

(1) Direct the tax collector to remove from the secured roll the information required to be entered thereon by paragraph (1) of subdivision (a) of Section 2514 of the Revenue and Taxation Code.

(2) Transmit a Release of Lien to the owner of the mobilehome, or the owner's heirs or assigns. The owner, or the owner's heirs or assigns, shall transmit the Release of Lien, and a fee of six dollars (\$6), to the Department of Housing and Community Development. Upon receipt of the Release of Lien and the fee, the department shall terminate the restriction on the permanent title record as provided in Section 16182.

SEC. 9. Section 16190 of the Government Code is amended to read:

16190. All amounts owing pursuant to Article 1 (commencing with Section 16180) of this chapter shall become due if any of the following occurs:

(a) The claimant, who is either the sole owner or sole possessory interestholder of the residential dwelling, as defined in Section 20583 or Section 20640 of the Revenue and Taxation Code, or a coowner or copossessory interestholder with a person other than a spouse or other individual eligible to postpone property taxes pursuant to Chapter 2 (commencing with Section 20581), Chapter 3.3 (commencing with Section 20639), or Chapter 3.5 (commencing with Section 20640) of Part 10.5 of Division 2 of such code, ceases to occupy the premises as his residential dwelling, dies, or sells, conveys, or disposes of the property, or allows any tax or special assessment on the premises described in Section 20583 of such code to become delinquent. If the sole owner or possessory interestholder claimant dies and his or her surviving spouse inherits the premises and continues to own and occupy it as his or her principal place of residence, then the lien amount does not become due and payable unless taxes or special assessments described in the preceding sentence become delinquent, or such surviving spouse dies, or sells, conveys, or disposes of the interest in the property.

(b) The claimant, who is a coowner or copossessory interestholder of the residential dwelling, as defined in Section 20583 or Section 20640.2 of the Revenue and Taxation Code, with a spouse or another individual eligible to postpone property taxes pursuant to Chapter 2 (commencing with Section 20581), Chapter 3.3 (commencing with Section 20639), or Chapter 3.5 (commencing with Section 20640) of Part 10.5 of Division 2 of such code, dies, and the surviving spouse or other surviving eligible individual allows any tax or special assessment on the premises described in Section 20583 of such code to become delinquent or such surviving spouse or other individual ceases to occupy the premises as a residential dwelling, dies, or conveys, or disposes of the interest in the property.

(c) The failure of the claimant to perform those acts the claimant is required to perform where such performance is secured, or will be secured in the event of nonperformance, by a lien which is senior to that of the lien provided by Section 16182.

(d) Postponement was erroneously allowed because eligibility requirements were not met.

(e) The claimant is refinancing the residential dwelling.

(f) The claimant has elected to participate in a reverse mortgage program for the residential dwelling.

SEC. 10. Section 16200 of the Government Code is amended to read:

16200. In the event that the Controller receives the notice described in Section 16187 of this code or Section 3375 of the Revenue and Taxation Code, the Controller may take any of the following actions which will best serve the interests of the state:

If the Controller elects to proceed under this subdivision, the Controller may use funds appropriated by Section 16100 to bid on the property at the auction up to the amount secured by the state's lien on the property and any lien on such property having priority over the state's lien. All additional amounts paid pursuant to this subdivision shall be added to the amount secured by the lien on such property provided for in Article 1 (commencing with Section 16180) of this chapter.

(b) Acknowledge by United States mail that the notice required by Section 16187 of this code or Section 3375 of the Revenue and Taxation Code has been received.

SEC. 12. Section 16211 of the Government Code is amended to read:

16211. SEC. 13. Section 16211.5 of the Government Code is amended to read:

16211.5. (a) In the event that the real property securing the state's lien provided for in Article 1 (commencing with Section 16180) is the residential dwelling of a claimant under Chapter 2 (commencing with Section 20581) of Part 10.5 of Division 2 of the Revenue and Taxation Code and is voluntarily sold, the funds derived from the voluntary sale of the residential dwelling shall be placed in the Senior Citizens and Disabled Citizens Property Tax Postponement Fund. At that time, the Controller shall release the state's lien in the manner prescribed by Section 16186.

(b) The claimant under Chapter 2 (commencing with Section 20581) of Part 10.5 of Division 2 of the Revenue and Taxation Code whose residential dwelling was voluntarily sold shall not draw upon the amount in the Senior Citizens and Disabled Citizens Property Tax Postponement Fund.

SEC. 14. Section 16212 of the Government Code is repealed.

SEC. 15. Section 16213 of the Government Code is repealed.

SEC. 16. Section 16214 of the Government Code is repealed.

SEC. 17. Section 2514 of the Revenue and Taxation Code is amended to read:

The county auditor, treasurer, or disbursing officer shall send a check in the amount of money based on the electronic transfer by the Controller, to the Controller within 60 days of the replicated payment.

(b) The procedures established by this chapter shall not be construed to require a lender to alter the manner in which a lender makes payment of the property taxes of such a claimant.

SEC. 18. Section 2515 of the Revenue and Taxation Code is amended to read:

2515. (a) Upon expeditiously processing a “notice of lien for postponed property taxes” from the tax collector, the tax collector or the assessor, whichever is applicable, shall immediately:

(1) Enter, on the notice of lien, a description of the real property for which the taxes have been paid by use of a certificate of eligibility pursuant to Section 2514. Such description shall be a “metes and bounds,” “lot-block-tract,” or such other description as is determined by the Controller to sufficiently describe the real property for the purpose of securing the state’s lien.

(2) Enter on the notice of lien, the names of all record owners of the property described under subdivision (a) of this section, as disclosed by the assessor’s records.

(3) Upon entry of the information required by subdivisions (a) and (b) of this section on the notice of lien, the assessor shall immediately forward the notice of lien to the county recorder.

(4) Enter on the assessment records applicable to the property, the fact that the taxes on the property have been postponed and the Controller’s identification number, and shall, if such record reveals a change in the ownership status of the property subsequent to the date of entry of the postponement information thereon, notify the Controller within 60 days of processing the change in the ownership status in the manner prescribed by the Controller.

(b) From the time of recordation of the notice of lien pursuant to Section 16182 of the Government Code, the lien for postponed property taxes shall be deemed to impart constructive notice of the contents thereof to subsequent purchasers, mortgagees, lessees, and other lienors.

3375. The county tax collector or assessor, whichever is applicable, shall notify the Controller within 60 days, in the manner as the Controller shall direct, of all property subject to a “Notice of Lien for Postponed Property Taxes” recorded pursuant to Section 16182 of the Government Code and for which notice of any of the following has been expeditiously processed:

(a) Becomes tax defaulted subsequent to the date of entry on the secured roll of the information required by subdivision (a) of Section 2514; or

(b) The claimant of which transfers ownership or changes his or her mailing address, and the property is a residential property; or

(c) The claimant of which has been determined to be deceased.

SEC. 20. Section 3376 is added to the Revenue and Taxation Code, to read:

3376. (a) Upon request of the tax collector, the Controller shall provide to the tax collector information that is required for the preparation and enforcement of the sale of property under Part 6 (commencing with Section 3351) of Division 1. This information may include social security numbers.

(d) In the event of a tax-defaulted property sale, the tax collector or assessor shall include the outstanding balance of the property tax postponement loan in the minimum bid. Should the property fail to receive the minimum bid, and the minimum bid is reduced, all moneys paid to the Controller's office and county tax collector shall be a proportionate allocation of the total moneys owed.

SEC. 21. Section 3691 of the Revenue and Taxation Code is amended to read:

3691. (a) (1) (A) Five years or more, or three years or more in the case of nonresidential commercial property, after the property has become tax defaulted, the tax collector shall have the power to sell and shall attempt to sell in accordance with Section 3692 all or any portion of tax-defaulted property that has not been redeemed, without regard to the boundaries of the parcels, as provided in this chapter, unless by other provisions of law the property is not subject to sale. Any person, regardless of any prior or existing lien on, claim to, or interest in, the property, may purchase at the sale. In the case of tax-defaulted property that has been damaged by a disaster in an area declared to be a disaster area by local, state, or federal officials and whose damage has not been substantially repaired, the five-year period set forth in this subdivision shall be tolled until five years have elapsed from the date the damage to the property was incurred.

(B) A county may elect, by an ordinance or resolution adopted by a majority vote of its entire governing body, to adopt conditions and procedures for the delay of sale of properties as described in subparagraph (A) that it finds may be eligible to file a property tax postponement claim with the State Controller prior to January 1, 2017, and may cancel any delinquent penalties, costs, fees, and interest associated with these properties.
